

Amyotrophic lateral sclerosis (ALS), more commonly referred to as Lou Gehrig's disease is a progressive neurodegenerative disease. It attacks cells and pathways in the brain and spinal cord affecting as many as 20,000 Americans at any given time. As we wait for a cure, The ALWAYS LIFTING SPIRITS FOUNDATION is striving to provide comfort and quality of life to ALS patients with the gift of a power lift chair for those whom a cure may come too late.

The ALWAYS LIFTING SPIRITS FOUNDATION was founded to honor Jeff Weber who lost his fight to this dreaded disease after an 11 month struggle. Jeff was 48, a father to Ashley and Michelle Weber and dearly loved by his large and extended family. A lifelong resident of Cincinnati, a Elder High school and University of Saint Francis graduate and a brilliant athlete. Jeff excelled in basketball, baseball, golf and tennis and was a diehard Reds fan.

Losing Jeff led us to our mission of offering lift chairs focusing on assisting ALS patients who have limited ambulatory skills, giving them a respite from a wheelchair which in turn helps the caretakers who assist with the daily needs.

Our foundation relies on the generosity of individuals like you and we need your support. The cost of just one chair is approximately \$700, the more money we raise the more chairs we can donate. To date we have donated 26 chairs with the goal of at least 10 chairs per year, of course we are always eager to exceed that benchmark. Our foundation is strictly staffed by non-paid volunteers, all proceeds go directly to our cause.

Our annual fundraiser will take place on **Sunday, April 28th 2019 at TAFT'S BREWING COMPANY** located at 4831 Spring Grove Avenue, Cincinnati Ohio 45232 from 1 to 5 pm. The event is family friendly with activities, raffles, split the pot and auction items and baskets.

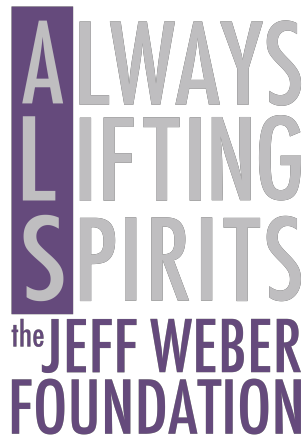

Please consider a donation of goods or services, monetary donations or a sponsorship, any of which would be welcomed and appreciated.

ALWAYS LIFTING SPIRITS FOUNDATION is a 501c3 organization. We welcome a donation in any amount as we work towards a cure for ALS.

Thank you,

Jennifer Notten, Chairman
